Dear Sir: Re: DP-B Wells: Logs - State "C" 1

This will acknowledge receipt of your letter of April 26th in which you enclosed the well log covering your State C-1 well in the SE $\frac{1}{4}$ of Sec. 5, T. 21 S., R. 36 E.

On checking through my records I find there are several reports missing to complete my files for this well.

I am enclosing herewith a report requirement list that will show you the reports necessary for you to submit. Also, I am enclosing the proper forms for you to fill out and return to me.

In the future, I wish you would kindly submit the necessary reports for my approval for your various wells on state and patented land in New Mexico as they are due.

I shall greatly appreciate your cooperation in this matter.

Very truly yours,

FJV:t

F. J. Vesely,
State Oil & Gas Inspector.

P. S. The proper forms are being sent under separate cover today.
