THE HISTORY OF THE CITY OF NEW YORK

CHAPTER I THE FIRST SETTLEMENT

The first settlement of the city of New York was made by the Dutch in 1624. They came from Holland and established a colony on the island of Manhattan. The Dutch called the island "Manna-hatta" which means "the place of the gathering of water". The Dutch were the first to build a city on the island. They built a fort and a city around it. The city was called "New Amsterdam". The Dutch were the first to build a city on the island. They built a fort and a city around it. The city was called "New Amsterdam".
