Gentlemen:

The OCD District I office has reviewed your application (C-108) for authorization to inject on the above referenced producing wells.

Before the approval of this application, we request that bradenhead tests be performed on the wells above prior to conversion.

We have scheduled these tests for January 14, 2000, at 1:00 pm. Please meet our field representative at well #210.

If you have any questions, please contact our office.

Sincerely,

CHRIS WILLIAMS
District I Supervisor
