

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

THEORY OF THE EARTH

CHAPTER I

OF THE ORIGIN AND GROWTH OF THE EARTH

The first question which presents itself to the mind is, what was the origin of the earth? and the second, how did it grow to its present size and shape? The answer to the first question is, that the earth was created by the power of God, and the answer to the second question is, that it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.

The earth was created by the power of God, and it grew by the action of the laws of nature.
