Dear Mr. Staley:

I am returning your approved copy of form SG-101, "Notice of Intention to Drill New Well." The report is, of course, approved subject to the filing of a proper bond.

Enclosed herewith is a report requirement list, showing the delinquent reports on the R. Olsen State Well #1. ~~Permission to Connect with Pipe Line cannot be granted until all reports are in and approved,~~ I would suggest that you submit these forms as soon as possible.

Very truly yours,
