Box 522,
Carlsbad, New Mexico.

Dear Sir:

RE: Our #332 - State Lease - Lea County, N. M.

I am in receipt of your letter of February 1st; also the forms #C-102 and #C-103, which you mailed under separate cover. These forms are being filled out today and forwarded to you. You will note that in filling out the forms I have dated #C-102 form ahead of the time the work was actually done and have stated that permission was granted. I am doing this in order to make our applications meet with the requirements of the state.

I regret very much that we failed to inform you of the work which we did on this #1 well, and from now on will take the matter up with you before taking any action, in order to ascertain the proper steps which should be taken to conform with the state regulations.

With personal regards, I am

Yours very truly,

C. J. Jeffers
OK.
