Dear Sir:

In re: RO #332 - R. Olsen-State

Pursuant to request of Mr. F. J. Vesely, we are enclosing herewith tank tables #45724, 45725 and 45749, 45750 in connection with R. Olsen-State Wells #1 and #2, in Sec. 5, T. 21 S., R. 36 E., Lea County, New Mexico.

We also enclose copies of run tickets for November. I am under the impression that Mr. Jeffers left the copies of run tickets for part of September and October with your office on his last trip as he took them with him for the purpose of ascertaining if you needed them or required them for your records. He will be in the office within the next few days and if they are still in his possession, we will forward them immediately.

Sorry we neglected getting these to you sooner but we were not certain as to the proper procedure to follow in New Mexico. In the future, we will accompany our report to the commission with copies of run tickets unless advised by you to the contrary.

Very truly yours,

ALX

cc - Mr. F. J. Vesely
P.S. Just talked with Mr. Jeffers on long distance and he tells me he left the October run tickets with Mr. Miller in the production office at Hobbs, and that Mr. Miller was to hand them to the proper parties and advise us procedure to follow in the future.
