Dear Mr. Beecherl:

I am enclosing herewith an approved copy of form C-102, "Notice of Intention to Test Casing Shut-off" for the 5" casing on your State K Well No. 1, in Sec. 6, T. 21 S., R. 36 E., for your files.

I am returning herewith form SG-106, "Report on Result of Test of Water Shut-off" for the 8 5/8" casing, as you submitted it only in duplicate and on the old forms. Kindly submit this report on form C-103, "Miscellaneous Reports on Wells", in triplicate. Please destroy all of the old "SG" forms as they are now obsolete and use the "C" forms, with the exception of form SG-110A "Production & Royalty Statement", which is still being used.

Your cooperation in this matter will be appreciated.

Very truly yours,
