OUR LETTER

FILE SUBJECT Reports: N.M.

Dear Sir:

We are forwarding herewith delinquent reports on the State "K" well #2. We will try and have the rest in with in the next few days.

We regret very much that these forms were delinquent and hope that they will meet with your approval. The failure to file these reports was due to a change in personnel with a resultant change of operations. In the future State forms C-102 and C-103 will be filed from this office.

Yours very truly,

Superintendent
Atlantic Oil Producing Co.
