Re: Graham State (NCT-E) #2, Eumont Pool

Dear Mr. Anderson:

Thank you for your letter of January 28 regarding the subject well. Upon reviewing the past year's allowables I have found the computer was overly generous with the asterisks for the Eumont Pool. I am unsure at this point why it happened, but because of that you were unjustly accused of violating the rules for balancing gas wells.

Please accept my regrets for causing you inconvenience.

Yours very truly,

VICTOR T. LYON,  
Chief Petroleum Engineer
