

NE MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS	REPORT ON REPAIRING WELL
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL	REPORT ON PULLING OR OTHERWISE ALTERING CASING
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	REPORT ON DEEPENING WELL
REPORT ON RESULT OF PLUGGING OF WELL

APR 20 1937

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings of the research. The data shows a clear trend in the relationship between the variables studied.

4. The fourth part of the document discusses the implications of the findings. It highlights the potential applications of the research in various fields and the need for further investigation in this area.

5. The fifth part of the document concludes the study. It summarizes the key findings and provides a final statement on the overall results of the research.

6. The sixth part of the document includes a list of references to the sources used in the study. It provides a comprehensive overview of the literature related to the topic.

7. The seventh part of the document contains a list of appendices. These include additional data, figures, and tables that support the main findings of the study.

8. The eighth part of the document includes a list of figures. These are visual representations of the data that help to clarify the results of the study.

9. The ninth part of the document contains a list of tables. These provide a structured way to present the data and facilitate comparison between different groups or conditions.

10. The tenth part of the document includes a list of equations. These are mathematical expressions that describe the relationships between the variables in the study.

11. The eleventh part of the document contains a list of symbols. These are used to represent specific concepts or variables throughout the document.

12. The twelfth part of the document includes a list of abbreviations. These are used to simplify the text and make it easier to read.
