Att: Mr. Beecherl

Dear Sir:

On January 24th I wrote you a letter regarding the requirements of this department for wells drilled on state or patented lands. I also enclosed a REQUIREMENT LIST showing just what notices and reports are required.

I am enclosing another REPORT REQUIREMENT LIST for your use, with a red check mark in front of the reports that we have not received on your State B #1 well located in the NW SE of Section 8, Township 21 South, Range 36 East.

Since this well has already been completed and connected to the pipe line I would like to get these reports and complete this file. Please furnish us with these reports at your earliest convenience.

Thanking you for usual prompt attention on matters of this kind. I remain,

Very truly yours,

J. D. Hunter,
Oil & Gas Inspector.

Encl: REQUIREMENT LIST.
