

Fort Worth, Texas
December 21, 1935.

Dr. E. H. Wells,
Oil Conservation Commission,
Santa Fe, New Mexico.

Dear Sir:

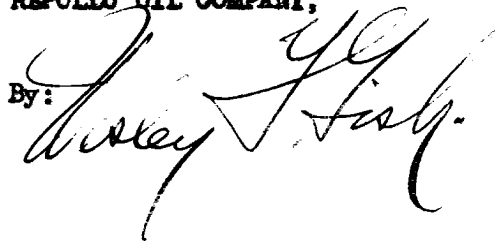

The Repollo Oil Company's notice of intention to drill its No. 5 E. C. Adkins, 2310 feet from the north line and 330 feet from the east line of Section 9, Township 21-South, Range 36-East, Runice Field, Lea County, was approved December 3rd, 1935. The Repollo now desires to re-locate this well 990 feet from the east line and 1650 feet from the north line of Section 9, Township 21-South, Range 36-East, and amended notice of intention to drill form C-101 is herewith enclosed, in accordance with your regulations. This is the only change from the original notice of intention to drill.

Three copies of the amended form C-101 are being forwarded to Mr. F. J. Vesely, Oil and Gas Inspector, at Carlsbad and telegraphic approval, charges collect, of the amended location would be appreciated; the telegram to be sent to me, Fort Worth, Texas.

Yours very truly,

REPOLLO OIL COMPANY,

Dr. E. H. Wells,
Oil Conservation Commission,
Santa Fe, New Mexico.

Dear Sir:

The Republic Oil Company's notice of intention to drill its No. 3 A. C. Adams, 2310 feet from the north line and 320 feet from the east line of Section 9, Township 31-South, Range 33-East, Garfield Field, Lea County, was approved December 31, 1935. The Republic now desires to re-locate this well 990 feet from the east line and 1680 feet from the north line of Section 9, Township 31-South, Range 33-East, and enclose notice of intention to drill form C-101 in accordance with your regulations. This is the only change from the original notice of intention to drill.

Three copies of the amended form C-101 are being forwarded to Mr. E. H. Wells, Oil and Gas Inspector, at Carlsbad and telegraphic approval, changes collect, of the amended location would be appreciated; the telegram to be sent to me, Fort Worth, Texas.

Yours very truly,

REPUBLIC OIL COMPANY
