

## NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

# THEORY OF THE EARTH AND ITS HISTORY

BY J. H. MACLEOD

SECOND EDITION

This book is a revised and enlarged edition of the first, and contains many new facts and observations. It is a valuable work for the student of geology, and for the general reader who is interested in the history of the earth.

THE AUTHOR'S ADDRESS IS: 10, ST. MARK'S PLACE, LONDON, E.C. 4.

The book is published by the Cambridge University Press, and is available in both paper and cloth editions. The price of the cloth edition is 10s. 6d., and the price of the paper edition is 5s. 6d.
