

NEW MEXICO OIL CONSERVATION COMMISSION  
Santa Fe, New Mexico

**MISCELLANEOUS REPORTS ON WELLS**

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

# THEORY OF THE EARTH

## CHAPTER I. OF THE ORIGIN OF THE EARTH.

The first question which presents itself to the mind is, what was the origin of the earth? and the answer to this question is, that it was created by the power of God, and that it was created out of nothing.

The second question which presents itself to the mind is, what was the state of the earth at the first? and the answer to this question is, that it was a dark and void space.

The third question which presents itself to the mind is, what was the state of the earth after the first? and the answer to this question is, that it was a state of confusion.

The fourth question which presents itself to the mind is, what was the state of the earth after the second? and the answer to this question is, that it was a state of order.

The fifth question which presents itself to the mind is, what was the state of the earth after the third? and the answer to this question is, that it was a state of improvement.

The sixth question which presents itself to the mind is, what was the state of the earth after the fourth? and the answer to this question is, that it was a state of perfection.

The seventh question which presents itself to the mind is, what was the state of the earth after the fifth? and the answer to this question is, that it was a state of decay.

The eighth question which presents itself to the mind is, what was the state of the earth after the sixth? and the answer to this question is, that it was a state of ruin.

The ninth question which presents itself to the mind is, what was the state of the earth after the seventh? and the answer to this question is, that it was a state of restoration.

The tenth question which presents itself to the mind is, what was the state of the earth after the eighth? and the answer to this question is, that it was a state of glory.

The eleventh question which presents itself to the mind is, what was the state of the earth after the ninth? and the answer to this question is, that it was a state of triumph.

The twelfth question which presents itself to the mind is, what was the state of the earth after the tenth? and the answer to this question is, that it was a state of victory.

The thirteenth question which presents itself to the mind is, what was the state of the earth after the eleventh? and the answer to this question is, that it was a state of conquest.

The fourteenth question which presents itself to the mind is, what was the state of the earth after the twelfth? and the answer to this question is, that it was a state of dominion.

The fifteenth question which presents itself to the mind is, what was the state of the earth after the thirteenth? and the answer to this question is, that it was a state of empire.

The sixteenth question which presents itself to the mind is, what was the state of the earth after the fourteenth? and the answer to this question is, that it was a state of kingdom.

The seventeenth question which presents itself to the mind is, what was the state of the earth after the fifteenth? and the answer to this question is, that it was a state of power.

The eighteenth question which presents itself to the mind is, what was the state of the earth after the sixteenth? and the answer to this question is, that it was a state of might.

The nineteenth question which presents itself to the mind is, what was the state of the earth after the seventeenth? and the answer to this question is, that it was a state of strength.

The twentieth question which presents itself to the mind is, what was the state of the earth after the eighteenth? and the answer to this question is, that it was a state of glory.

The twenty-first question which presents itself to the mind is, what was the state of the earth after the nineteenth? and the answer to this question is, that it was a state of triumph.

The twenty-second question which presents itself to the mind is, what was the state of the earth after the twentieth? and the answer to this question is, that it was a state of victory.

The twenty-third question which presents itself to the mind is, what was the state of the earth after the twenty-first? and the answer to this question is, that it was a state of conquest.

The twenty-fourth question which presents itself to the mind is, what was the state of the earth after the twenty-second? and the answer to this question is, that it was a state of dominion.

The twenty-fifth question which presents itself to the mind is, what was the state of the earth after the twenty-third? and the answer to this question is, that it was a state of empire.

The twenty-sixth question which presents itself to the mind is, what was the state of the earth after the twenty-fourth? and the answer to this question is, that it was a state of kingdom.

The twenty-seventh question which presents itself to the mind is, what was the state of the earth after the twenty-fifth? and the answer to this question is, that it was a state of power.

The twenty-eighth question which presents itself to the mind is, what was the state of the earth after the twenty-sixth? and the answer to this question is, that it was a state of might.

The twenty-ninth question which presents itself to the mind is, what was the state of the earth after the twenty-seventh? and the answer to this question is, that it was a state of strength.

The thirtieth question which presents itself to the mind is, what was the state of the earth after the twenty-eighth? and the answer to this question is, that it was a state of glory.

The thirty-first question which presents itself to the mind is, what was the state of the earth after the twenty-ninth? and the answer to this question is, that it was a state of triumph.

The thirty-second question which presents itself to the mind is, what was the state of the earth after the thirtieth? and the answer to this question is, that it was a state of victory.
