Dear Sir:

This is regarding your State "B" Well #4 in the center of the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec. 16, T. 21 S., R. 36 E.

For your information the following is a copy of a telegram I received from the State Geologist in this connection:

"In reference Skelly State B Well Number four Section sixteen twenty-one thirty-six Oil Conservation Commission could protect Skelly for period of present State administration but not for future administrations STOP Am requesting Repollo to hold up applications for three hundred thirty locations this area until after hearing Santa Fe August ninth and would appreciate it if Skelly will do likewise STOP Situation may be clarified by that time STOP Please advise Skelly and Repollo."

Very truly yours,

FJV:T

F. J. Vesely,
State Oil & Gas Inspector.
