This form is to be filed with the Commission with Form O-104.

If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a tabulation of the test results taken on the well in accordance with N.M.E.C. 113.

All sections of this form must be filled out completely for all wells on new and recompleted wells.

Fill out only Sections I, II, III, and VI for changes of owner, well name or number, or transport method at each change of condition.

Separate Form O-104 must be filed for each pool in multiple completions.
