

## NEW MEXICO OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

**MISCELLANEOUS NOTICES**

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very important document, as it contains the President's annual message to Congress.

2. The second part of the document is a report from the Secretary of the Interior, dated January 10, 1862. It contains information about the land and resources of the United States, and the progress of the government's policy in this regard.

3. The third part of the document is a report from the Secretary of the Treasury, dated January 15, 1862. It contains information about the financial state of the United States, and the progress of the government's policy in this regard.

4. The fourth part of the document is a report from the Secretary of the War, dated January 20, 1862. It contains information about the military state of the United States, and the progress of the government's policy in this regard.

5. The fifth part of the document is a report from the Secretary of the Navy, dated January 25, 1862. It contains information about the naval state of the United States, and the progress of the government's policy in this regard.

6. The sixth part of the document is a report from the Secretary of the Department of the Interior, dated January 30, 1862. It contains information about the land and resources of the United States, and the progress of the government's policy in this regard.

7. The seventh part of the document is a report from the Secretary of the Department of the Treasury, dated February 5, 1862. It contains information about the financial state of the United States, and the progress of the government's policy in this regard.

8. The eighth part of the document is a report from the Secretary of the Department of the War, dated February 10, 1862. It contains information about the military state of the United States, and the progress of the government's policy in this regard.

9. The ninth part of the document is a report from the Secretary of the Department of the Navy, dated February 15, 1862. It contains information about the naval state of the United States, and the progress of the government's policy in this regard.
