Gentlemen:

This is to advise that on March 15, 1983 the Getty Oil Company's State E #2 - Eumont gas well located in Unit P of Section 16, Township 21S, Range 36E, Lea County, New Mexico was temporarily disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso Natural Gas Company's 100# gathering system. Meter #60-362-01 Site #60362-01.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
