A plat is attached hereto showing to the best of our knowledge and belief the proposed unit, the location of the well and the offset ownership.

In view of the facts set out herein it is respectfully requested that the Commission enter an order approving the non-standard gas proration unit for Continental Oil Company's A. M. Lockhart A-18 No. 1 well as described above.

The Southwest Quarter of Section 18, T21S, R36E, is now assigned to A. M. Lockhart A-18 No. 3. Accompanying this request for enlargement is a request for reduction of acreage assigned to well No. 3.
