Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

To correct the C-103 approved March 3, 1988 to show place on production, not injection.

The intent should read as follows: It is proposed to deepen the subject well 109' from the current TD of 3919' to a new TD of 4028'. Log with GR-CNL-CCL and caliper treat as necessary and place on production.

Pending Like Approval by Federal

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
