HERRER INSTRUCTION OF THE CONTRACTOR INSTRUCTIONS IN taaloo 👝 Shirah This form shall be executed and filed in quadruplicate with the Oil Conservation Commission at Santa Fe, New Mexico, covering each unit from which oil is produced, A sep-arate certificate shall be filed for each transporter authorized to transport oil from a unit. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy returned to the producer, and two copies retained by the Oil Conservation Commission. A new cartificate shall be filed to cover each change in operating ownership and each, change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall, in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oll to be moved by the transporter temporarily moving oil from the unit and the name of such temporary transporter and a copy of such notice shall also be furnished such temporary transporter. Such temporary transporter shall not move any more of than the estimates amount thown to said notice. This certificate when properly executed and approved by the OI Conservation Com-mission shall constitute a permit for pipe line connection and authorization to transport oil from the property named therein and shall remain in full force and effect until S CON .... (a) Operating ownership changes TO VEL (b) The tinnsporter is changed or (c) The permit is cancelled by the Commission If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the time this report is filed, explain fully under the heading "REMARKS." a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to tansport oil. A separate report shall be filed to cover each producing unit as designated by the Oil Conservation Commission. 3.5 a sources a sourcestigned, a backbar en objector presentator presentento da A.
