Repollo Oil Co.,  
Wink, Texas.

Att: Mr. Holle.

Dear Sir:

Refer to your State No. 1 well in  
the Eunice pool, Lea County, New Mexico.

At the time the Notice of Intention  
to Drill was filed your company planned on  
setting the 9-5/8" pipe in the brown lime  
and then after the well was started changed  
and set in on top of the salt.

Please furnish us with a Notice of  
Intention to Change Plans covering this change  
in triplicate on our form SG-105; at your  
convenience, thank you

Very truly yours,

J. D. Hunter,  
State Oil & Gas Inspector.
