THE HISTORY OF THE UNITED STATES

OF THE UNITED STATES OF AMERICA

The history of the United States is a story of a people who have grown from a small colony of settlers to a great nation. It is a story of the struggles and triumphs of a people who have built a nation of freedom and justice.

The story begins with the first settlers who came to the New World in search of a better life. They found a land of opportunity and a land of challenge.

They fought for their freedom and their right to self-government. They built a nation that was based on the principles of liberty and justice for all.
