Re: Meredith Gas Communitization  
Well No. 1  
E/2E/2 Section 19, T-21-S, R-36-E  
Lea County, New Mexico

ATTENTION: Mr. E. E. Hagan

Gentlemen:

Your letter of December 5, 1975, advised this office that the captioned communitization agreement has not produced communitized substances since September 1974.

Accordingly, in the absence of a well capable of producing communitized substances in paying quantities, communitization agreement covering the E/2E/2 of Section 19, Township 21 South, Range 36 East, Lea County, New Mexico, is considered to have expired by its own terms as of September 1974, being the date production ceased.

Please notify all interest parties of this action.

Very truly yours,

PHIL R. LUCERO  
COMMISSIONER OF PUBLIC LANDS
