

NEW MEXICO STATE LAND OFFICE  
OFFICE OF THE STATE GEOLOGIST  
SANTA FE, NEW MEXICO

### MISCELLANEOUS REPORTS ON WELLS

Submit this report in duplicate to the State Geologist or proper Oil and Gas Inspector within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of water shut-off, result of abandonment of well, and other important operations, even though the work was witnessed by the State Geologist or Oil and Gas Inspector. Reports on minor operations need not be signed and sworn to before a notary public, but such operations should be witnessed by an Oil and Gas Inspector if possible.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS  REPORT ON RESULT OF SHOOTING WELL  REPORT ON RESULT OF TEST OF WATER SHUT-OFF  REPORT ON RESULT OF ABANDONMENT OF WELL	REPORT ON DEEPENING WELL  REPORT ON PULLING OR OTHERWISE ALTERING CASING  REPORT ON REPAIRING WELL  REPORT ON PLUGGING BACK

# THE UNIVERSITY OF CHICAGO

The University of Chicago is a private research university in Chicago, Illinois. It was founded in 1837 and is one of the oldest and most prominent universities in the United States. The university is known for its rigorous academic standards and its commitment to research and scholarship. It has a long history of producing world-class scholars and leaders in various fields of study.

The university is organized into several divisions, including the Division of the Physical Sciences, the Division of the Biological Sciences, the Division of the Social Sciences, and the Division of the Humanities. Each division is further divided into departments and centers, providing a wide range of academic programs and research opportunities for students and faculty alike.

The University of Chicago is also known for its commitment to public service and its engagement with the community. It has a long history of providing leadership in various social and public issues, and it continues to be a major force in shaping public policy and discourse. The university's commitment to public service is reflected in its many programs and initiatives, which aim to address the needs of the community and promote the common good.

The University of Chicago is a member of the Association of American Universities (AAU), which is a consortium of leading research universities in the United States. The AAU promotes the interests of research universities and works to advance the highest standards of academic excellence. The University of Chicago's membership in the AAU is a testament to its status as one of the leading universities in the world.

The University of Chicago is also a member of the Ivy League, which is a group of eight elite private universities in the Northeastern United States. The Ivy League is known for its high academic standards and its commitment to research and scholarship. The University of Chicago's membership in the Ivy League is a testament to its status as one of the leading universities in the world.
