Gentlemen:

Your attention is directed to our recent letter advising you that your A. Ramsey C, 11 A, 21-21-36, would be reclassified and transferred from the Eunice to the Eumont Pool.

A reexamination of the well records by Mr. R. F. Montgomery, geologist, indicates that this reclassification was in error and that the well should remain in the Eunice Pool.

You will therefore please disregard our previous notice.

Sincerely yours,

A. L. Porter, Jr.
Proration Manager
