Re: Gas allowable Ramsay C #13
Sec. 21-21-36

Dear Sir:

This will acknowledge receipt of your letter of March 20 addressed to Mr. R. F. Montgomery, relative to the assigning of an allowable to your Ramsay C #13. In this letter you request that, based on the fact that the working interest owners of this unit are in agreement, a 640 acre allowable be assigned. In reply, please be advised that in compliance with present Commission policy, it will be necessary for you to file with this office a copy of an affidavit by the working interest owners to the effect that they have agreed to communitize.

When the above-mentioned affidavit is received, the well will be assigned an allowable effective January 16, 1956, which was the date of connection to the pipeline.

Yours very truly,

OIL CONSERVATION COMMISSION
