

New Mexico Oil Conservation Commission
January 25, 1957
Page 2

(g) That the manner and method of the proposed dual completion is mechanically feasible and practical.

(h) That by copy of this letter of application, all offset operators are notified of the proposed dual completion.

Therefore, Gulf Oil Corporation requests that the Oil Conservation Commission grant permission to the applicant to dually complete the subject well as proposed in this application.

I hereby certify that the information given above is true and complete to the best of my knowledge.

Respectfully submitted,

C. F. TAYLOR
Area Superintendent of Production
