Attention Mr. Tommy Lent

Dear Mr. Lent:

Due to the recently submitted gas-oil ratio test for the Brownlee Well No. 1 located in Unit 0 of Section 25, T-21-S, R-36-E, the well will be reclassified to an oil well in the Eumont Pool effective September 1, 1984, and the gas allowable will be cancelled that date.

Please submit two copies of a revised Form C-102 outlining a 40 acre proration unit for the oil classification, and in the event there is a transporter change due to this reclassification, please also submit Form C-104 indicating that.

Yours very truly,

OIL CONSERVATION DIVISION
