Memorandum for the President

February 10, 1953

Mr. President, I have the honor to acknowledge the receipt of your letter of February 10, 1953, regarding the proposed amendment to the Constitution of the United States.

Page 2

In view of the fact that the proposed amendment is a technical amendment, it is not necessary to call for a referendum. However, the Commission on Governmental Organization has recommended that the amendment be referred to the people for their consideration. It is your duty to decide whether or not to call for a referendum. If you decide to call for a referendum, the amendment should be referred to the people at the next general election. If you decide not to call for a referendum, the amendment should be referred to the people at the next special election.

I am, Sir, very respectfully,  
Your obedient servant,  
John F. Kennedy
