Hobbs, New Mexico

Gentlemen:

Effective September 1, 1962 your W. A. Ramsay "A" Well No. 44 located in Unit D of Section 35, T-21-S, R-36-E will be reclassified as a gas well in the Eumont Gas Pool. This reclassification is necessitated by your recently submitted gas-oil ratio test which indicated the well to be producing with a ratio in excess of 100,000:1.

Effective September 1, 1962 this well is to be shut in and will remain shut in until you have complied with the provisions of Commission Order No. R-1670 which pertain to the Eumont Gas Pool.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramey
Supervisor, District 1
