Gentlemen:

This is in reply to your letter of December 29.

I am today forwarding forms SG-108 "Well Log" for your State "B" Well No. 1, NW $\frac{1}{4}$, Sec. 29, T. 21 S., R. 36 E., to Dr. E. H. Wells, State Geologist, so that he might approve form SG-109 for this well.

You will undoubtedly hear from Dr. Wells in this connection in the near future.

Very truly yours,

FEV:t

State Oil & Gas Inspector.
