Offset Operators:

Exxon Corporation is requesting administrative approval of an 80 acre Non-Standard Gas Spacing and Proration Unit and Simultaneous Dedication for the New Mexico "B" State Well Nos. 1 and 2. This request is due to the No. 2 being recently recompleted and becoming a gas well instead of an oil well.

If you have no objections to this 80 acre Non-Standard Gas Proration Unit and Simultaneous Dedication, please sign and return one copy of the enclosed waiver to the NMOCD office in Santa Fe and one copy to me. Return envelopes and copies of the C-102 and C-103 for each well are enclosed.

Sincerely,

Alex M. Correa
