

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL

Title

THE HISTORY OF THE CITY OF BOSTON FROM 1630 TO 1800

The history of the city of Boston from 1630 to 1800 is a story of growth, struggle, and triumph. It begins with the arrival of the Puritans in 1630, who sought a place where they could practice their religion freely. They found it in Boston, and over the years, the city grew from a small settlement into a major center of commerce and industry. The city's history is marked by several key events, including the Boston Tea Party, the American Revolution, and the abolitionist movement.

The city's growth was fueled by its strategic location on the coast, which made it a major port for trade. The city's economy was based on commerce, and it became a hub for the shipping industry. The city's population grew rapidly, and by the 18th century, it was one of the largest cities in the colonies. The city's history is a testament to the resilience and determination of its people.
