A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil to be moved by the transporter temporarily moving oil from the unit and the name of such temporary transporter and unit. Such letter shall also be furnished to the appropriate state oil conservation department. The letter shall not move any more oil than the estimated amount shown in said notice.

This certificate when properly executed and approved by the Conservation Commission shall constitute a permit for the removal, connection and authorization to transport oil from the property named therein and shall remain in full force and effect until _____.

It ain't but a 932N

- (a) Operating ownership changes
(b) The transporter is changed or
(c) The permit is cancelled by the Commission.

If any of the rules and regulations of the Oil Conservation Commission have not been complied with at the same time this report is filed, explain fully under the heading "REMARKS."

In all cases where this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil, show under "REMARKS" the previous owner or operator and the transporter previously authorized to transport oil.

A separate report shall be filed to cover each producing unit as

and herein said that said report is true and correct.
