This form shall be submitted and filed at least one month prior to the issuance of the certificate of compliance with the Oil Conservation Commission of New Mexico and shall be kept on file for inspection by the Commission. After said authorization has been issued, it shall be delivered to the transporter and a copy retained by the Oil Conservation Commission. A new application shall be filed for every new change in company name, address, or ownership, or any other change involving the operator. The certificate of compliance will be valid for six months from the date of issue, unless otherwise specified. This certificate of compliance will be valid for one year from the date of issuance if the transportation of oil is discontinued for more than six months.
