

## N 7 MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

# THE MATHS OF THE MATHS

BY THE AUTHOR

BY THE AUTHOR

The first part of the book is devoted to the study of the foundations of mathematics. It begins with a discussion of the nature of mathematics and the role of logic in its development. The author then proceeds to a detailed examination of the various branches of mathematics, including algebra, geometry, and calculus, and discusses the interrelationships between them.

The second part of the book is devoted to the study of the foundations of mathematics.

The third part of the book is devoted to the study of the foundations of mathematics.

The fourth part of the book is devoted to the study of the foundations of mathematics.

The fifth part of the book is devoted to the study of the foundations of mathematics.

The sixth part of the book is devoted to the study of the foundations of mathematics.

The seventh part of the book is devoted to the study of the foundations of mathematics.

The eighth part of the book is devoted to the study of the foundations of mathematics.

The ninth part of the book is devoted to the study of the foundations of mathematics.

The tenth part of the book is devoted to the study of the foundations of mathematics.

The eleventh part of the book is devoted to the study of the foundations of mathematics.

The twelfth part of the book is devoted to the study of the foundations of mathematics.

The thirteenth part of the book is devoted to the study of the foundations of mathematics.

The fourteenth part of the book is devoted to the study of the foundations of mathematics.

The fifteenth part of the book is devoted to the study of the foundations of mathematics.

The sixteenth part of the book is devoted to the study of the foundations of mathematics.

The seventeenth part of the book is devoted to the study of the foundations of mathematics.

The eighteenth part of the book is devoted to the study of the foundations of mathematics.

The nineteenth part of the book is devoted to the study of the foundations of mathematics.

The twentieth part of the book is devoted to the study of the foundations of mathematics.

The twenty-first part of the book is devoted to the study of the foundations of mathematics.

The twenty-second part of the book is devoted to the study of the foundations of mathematics.

The twenty-third part of the book is devoted to the study of the foundations of mathematics.

The twenty-fourth part of the book is devoted to the study of the foundations of mathematics.

The twenty-fifth part of the book is devoted to the study of the foundations of mathematics.

The twenty-sixth part of the book is devoted to the study of the foundations of mathematics.

The twenty-seventh part of the book is devoted to the study of the foundations of mathematics.

The twenty-eighth part of the book is devoted to the study of the foundations of mathematics.

The twenty-ninth part of the book is devoted to the study of the foundations of mathematics.

The thirtieth part of the book is devoted to the study of the foundations of mathematics.
