Re: Plat on J. K. Rector #4-0
Sec. 30-21-36

Gentlemen:

Please file a corrected plat in duplicate, for the acreage assigned to your J. K. Rector #4 under Order No. R-734. We enclose a supply of the revised Form C-128, which is a dual purpose form. It is not necessary for the spaces checked to be filled in, as this space is for new locations.

Yours very truly,
