Gentlemen:

Form C-116 was received in this office on May 26, 1958 which indicates a gas-oil ratio of 1900:1 for your Lockhart Well No. 1-L, 31-21-36, Jalmat G-s Pool.

Since this ratio is less than 100,000:1, the well has been assigned an oil allowable effective May 26, 1958.

Yours very truly,

OIL CONSERVATION COMMISSION
