Re: J. K. Rector #2
Sec. 31-21S-36E

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

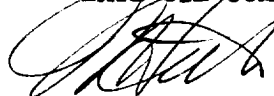

In reply to your letter of August 3, 1954, we wish to advise that no further reports have been received by you since the filing of Form C-101, due to the fact that this well has never been completed.

J. K. Rector #2 has been drilled to a depth of 3775 feet. It has been our intention to drill this well another hundred feet, but thus far, we have been busy with all of our tools. We hope to do this, however, in the coming year.

If you require any additional information, do not hesitate to let us know.

Yours very truly,

LATE OIL COMPANY

F. M. Late
