Gentlemen:

By notice from this office dated July 8, 1955 the Late Oil Company's Rector A #1-A in Section 31-21-36 was inadvertently reclassified as a Jalmat well. This well, according to our records, should be in the South Eunice field. Please file a new C-110 showing such change.

If there is any information your office can supply which might change the above, please do so at your earliest convenience.

Yours sincerely,
