OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

November 26th, 1935.

Mr. F. J. Vesely,
State Oil and Gas Inspector,
Carlsbad, New Mexico.

Dear Pete:

I find that the records in the office of the Oil Conservation Commission at Santa Fe are not complete as regards The Empire Gas and Fuel Company wells No. D1 and D2 of the N $\frac{1}{2}$ of Section 32, T. 21S, R. 36 E.

I particularly want to know for these wells the dates of completion, production to date and pipe line connections.

Very truly yours,

OIL CONSERVATION COMMISSION
