

Mr. Jesse T. Hildreth  
General Crude Oil Company  
Wink, Texas

Dear Mr. Hildreth:

This is regarding the location of your State E Well  
No. 2, in Sec. 32, T. 21 S., R. 36 E.

On form C-101, "Notice of Intention to Drill" for the  
above-mentioned well which I approved April 11, 1936,  
it states that the well is located 1320 feet from the  
south and west lines of Sec. 32. However, since this  
well is being drilled 1980 feet from the south and west  
lines of Sec. 32, I wish you would kindly change your  
copy of the Notice of Intention to Drill to read "1980  
feet from the south and west lines" instead of 1320 feet  
from the south and west lines.

Your cooperation will be greatly appreciated.

Very truly yours,

FJV:t

F. J. Vesely,  
State Oil & Gas Inspector.
