Dear Mr. Laird:

In accordance with our conversation over the telephone today, I am enclosing a Report Requirement List for your information. Also, I am enclosing a copy of my letter to Mr. Thomas W. Pew, Vice-President of General Crude Oil Company, Houston, Texas, which is self-explanatory.

Under separate cover I am mailing you a supply of forms and a copy of Bulletin 2, the rules and regulations of the State Geologist.

I wish you would kindly send all notices and forms direct to me in the future.

If I can be of any further assistance to you please do not hesitate to call on me.

Very truly yours,
