Re: Proposed NSP-190

Dear Sir:

Reference is made to your letter of September 30, 1955
pertaining to the above-captioned proposed non-standard gas proration
unit.

Please be advised that this office has withdrawn your
application for a non-standard unit for your Pech-State Well No. 1
in view of the fact that it now appears to be an oil well.

Very truly yours,

Warren W. Mankin
District Engineer
