Re: Administrative Order NFO-47

Gentlemen:

On January 20, 1955, Administrative Order NFO-47 was issued for your Shell State Well No. 1, located in Section 32, Township 21 South, Range 36 East, in the South Eunice Pool.

It is noted on Form C-114, submitted by Phillips Petroleum Company for the month of August, 1956, that they are connected and took gas from the above well during August, 1956. Please submit revised Form C-110 to indicate this correction in transporter in order that we may cancel Administrative Order NFO-47.

Very truly yours,

Warren W. Mankin
District Engineer
