17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Well was reclassified to a Eumont Gas well due to GOR in excess of 100,000/1 and closed in 9-1-79. Subsequently, application was made to simultaneously produce this well with other wells on the W. A. Ramsay (NCT-A) lease under Amendment No. 3, of Administrative Order NSL-990. Upon opening the well to commence production, well did not produce at a capacity to feed into high pressure line and GOR was less than 100,000/1. C-116 has been filed and well will be produced as a Eumont Oil well.
