NEW TXICO OIL CONSERVATION COM SSION

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the On Conservation Commission or its proper agent before the plan submitted begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.
