

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

AUG 31 1946

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within 30 days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL	X	REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The text also mentions the need for regular audits and the role of independent auditors in ensuring the reliability of the data.

2. The second part of the document focuses on the implementation of internal controls. It describes various measures that can be taken to minimize the risk of errors and misstatements, such as the separation of duties, the use of standardized procedures, and the establishment of a strong corporate culture of honesty and transparency. The text also highlights the importance of training and education for all employees involved in the financial process.

3. The third part of the document addresses the issue of data security. It discusses the potential risks of data breaches and the importance of implementing robust security measures to protect sensitive information. The text also mentions the need for regular security assessments and the role of technology in enhancing data protection. The final part of the document provides a summary of the key points and offers some concluding thoughts on the importance of a comprehensive approach to financial management.

4. The fourth part of the document discusses the role of the board of directors in overseeing the financial management of the organization. It emphasizes the board's responsibility for ensuring that the company's financial policies and procedures are sound and effective. The text also mentions the importance of the board's involvement in the selection and oversight of the chief financial officer and the external auditors.

5. The fifth part of the document discusses the importance of communication in financial management. It emphasizes the need for clear and consistent communication between all levels of the organization, from the board of directors to the front-line employees. The text also mentions the importance of providing timely and accurate financial information to investors and other stakeholders.

6. The sixth part of the document discusses the importance of ethical considerations in financial management. It emphasizes the need for all employees to act with integrity and honesty in all financial transactions. The text also mentions the importance of the company's commitment to social responsibility and the environment. The final part of the document provides a summary of the key points and offers some concluding thoughts on the importance of a comprehensive approach to financial management.
